

# ReVive

## Centre

...team build days...upcycle & refinish...build  
in our tool workshop...create in our DIY  
room...volunteer...kids camps &  
parties...great things happen at revive...

# what is the ReVive Centre?

The ReVive Centre is Habitat for Humanity Halton-Mississauga's upcycling Centre that recycles and transforms donated products and materials that would otherwise go to landfill. Items are created from these materials and older furniture is **'revived'** into something that can be sold by Habitat. The facility includes a fully-equipped tool workshop, DIY Zone & KidsBuild Zone.

We give corporate teams, as well as other volunteers, the opportunity to work together, learn some incredible new skills (like using power tools) and flexing their creative muscles!

As the very first of its kind, the ReVive Centre helps our ReStores raise funds to support Habitat's mission to build safe, decent and affordable housing for hard-working, low-income families in need.

Whether you're a tool expert, an artist or just a beginner, the ReVive Centre has a project for you!

## DID YOU KNOW?

The ReVive Centre helps support Habitat's mission in a unique way as it provides an opportunity (outside of a Habitat build sites) for volunteers to build and create!

The ReVive Centre is a great space for corporations/organizations to team build and create new items to sell in our ReStores. The monetary donation required for teams to participate at the ReVive Centre goes to Habitat and helps us build more homes in our community.

Book a date for your corporate team: [www.workingforachange.ca](http://www.workingforachange.ca)

# ways to get involved...

There are so many ways you can get involved at the **ReVive Centre**:

## Get Involved as a Volunteer

Whether you want to try out our fully equipped tool workshop or work in our DIY zone (or both!) we'll teach you everything you need to know & give you the space & materials to see what you can come up with...

## KidsBuild Programs

Join one of our "KidsBuild" camps or host parties in at KidsBuild! Children can build and personalize their own creation that they will get to take home...

## DIY Workshops

Sign up for exclusive workshops held in our dedicated DIY space. Workshops could involve customizing a wood sign to proudly hang in your home or "reviving" furniture to give it a new life...

## Book a Team Build Day

Grab your co-workers and come out for a fun day (or half day) of team building. Your team may upcycle existing products or build items in our fully-equipped workshop.

# made by our volunteers...

## getting to ReVive...

The ReVive Centre is located in Mississauga, ON (next to the ReStore) and is easily accessible by car & public transportation.

4500 Dixie Road  
Unit 11B  
Mississauga ON L4W 1V7

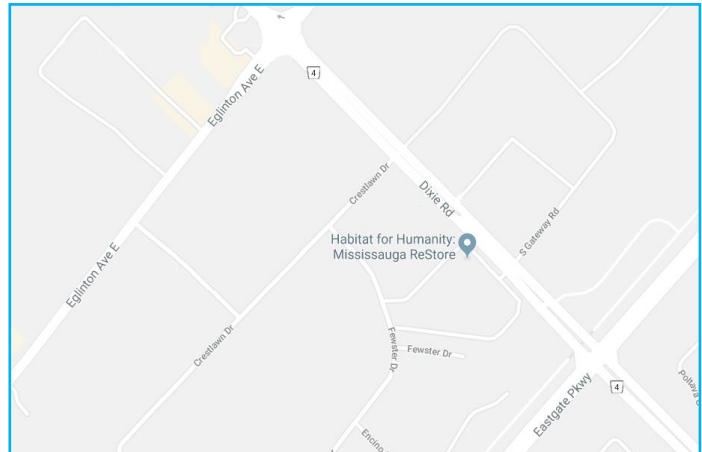

### Parking

There is plenty of parking available, please park as close as possible to the Revive Centre.

### Public Transportation

For transit, we are located just north of the Dixie Transitway Station. The site is accessible via Mississauga Transit Bus Route 5 (travelling on Dixie Road) and Routes 21, 107, 109 & 185 (Stopping at Dixie Transitway Station). The ReVive Centre is a 2 minute walk up from the Dixie Transitway Station.

Check your route using the **Triplinx App** or visit: <http://www.mississauga.ca/portal/miway> for more information on buses.

### DID YOU KNOW?

For **EVERY DOLLAR** you donate towards a Habitat for Humanity home, **FOUR DOLLARS** are returned to society. The hard-working partner families in our homes feel the impact of every donation. This improves their quality of employment, educational attainment, and physical and mental wellbeing.

# Upcoming Team Workshop days at the ReVive Centre...

Each team can look forward to an action-packed day at the ReVive Centre!

The ReVive Centre is Habitat for Humanity Halton-Mississauga's upcycling Centre that recycles and transforms donated products and materials that would otherwise go to landfill. Items are created from these materials and older furniture is 'revived' into something that can be sold by Habitat to help us generate more funds for our local builds in Burlington and Mississauga.

## Upcoming Workshops include:

May 10<sup>th</sup> & 17<sup>th</sup> - Garden Planter Boxes

June 6<sup>th</sup> & 13<sup>th</sup> - Carry Crates

July 12<sup>th</sup> & 19<sup>th</sup> - Furniture refinishing

August 15<sup>th</sup> & 22<sup>nd</sup> - Wooden Serving Trays

A typical Workshop date looks like:

**9:00 am:** Participants arrive on site, sign in and are fitted with personal protective equipment from head to toe...

**9:15 am:** Safety First! Your team will receive a thorough safety orientation by the site construction manager.

**9:30 am:** Head to the shop to begin your project!

**12:00 pm – 12:30 pm:** LUNCHTIME!

Lunch will be provided for your team as well as snacks, coffee/tea, and water. There also is a refrigerator and microwave for those who wish to bring their own lunch.

**12:30 pm – 3:30 pm:** Painting and finishing your project.

**3:30 pm – 4:00pm:** Clean up and put away tools/gear.

\$100.00 Charitable Donation per person

Only 20 spots per workshop available.

We look forward to welcoming your Team at the ReVive Centre for an amazing, unforgettable team-building experience!

## DON'T FORGET TO CHECK US OUT ONLINE & SHARE SOME SELFIES!

Habitat for Humanity Team Build Days are amazing opportunities to contribute to the community...let your friends and family see you in action! We upload pictures each day to Facebook and you can also check our Twitter & Instagram accounts for our most up to date Habitat news!

Use #habitathm to tag your own pictures...and you may be featured on our social media! Our website: [www.revivecentre.ca](http://www.revivecentre.ca)

## frequently asked questions

Team Build Days at the **ReVive Centre** support our efforts to help families achieve their dreams of affordable housing. Read these frequently asked questions & check out [www.revivecentre.ca](http://www.revivecentre.ca) for more information:

### How does our “Team Build Day” benefit Habitat?

Your visit to the **ReVive Centre** is not only an amazing team-building experience that showcases your organization’s social responsibility & a fun way to bring coworkers together, but all items created or “revived” by your team are placed into our ReStores & all profits go back into home building!

### Do I need previous experience? What tasks will I be performing? Is it safe?

At the **ReVive Centre**, volunteers of all skill levels are welcome! No experience required...you will be paired with an experienced crew leader who will guide you and provide you with the training you need. Tasks will vary based on the project for that day. You will never be asked to perform a task that is unsafe.

### Where is the centre located? Is transit available? Where may I park?

The **ReVive Centre** is next to the Habitat for Humanity-Mississauga ReStore at **4500 Dixie Rd, Unit 11B**. For transit, we are on many major bus lines and are located just north of the Dixie Transitway Station. There is lots of parking available, we ask that you please **park as close as possible to the ReVive Centre**.

### What time should I arrive at the ReVive Centre? Can I leave early?

Arrive for **9:00am** to participate in our safety orientation (afternoon start: 12:30pm). It is important you know your rights & of any hazards when volunteering. If you must leave early let your crew leader know!

### What should I wear?

Wear comfortable clothing you can move around in...you will be working with power tools; sanding & painting so expect that you will get dusty and dirty! We provide a Habitat T-Shirt for each participant. For safety reasons, shorts are NOT permitted & remember to wear SOCKS (you will change into safety shoes)!

### Is Safety or Personal Protective Equipment (PPE) provided?

We will provide everyone with the necessary personal protective equipment from head to toe before the safety orientation. If you have your own personal CSA approved protective equipment such as safety shoes or glasses, please feel free to bring them along with you.

### Is there a washroom on site?

We have washrooms available for our volunteers inside the centre.

### Do I need to pack a lunch? What is available to drink?

Teams participating for in a **half day** event will not be staying for lunch but we will have snacks available!

Teams volunteering for a **full day** will be provided with snacks as well as lunch. A vegetarian option is provided upon request (have your team lead notify us) but other dietary needs may not be accommodated. If you prefer to bring a brown bag lunch, we have a refrigerator and microwave on site.

Coffee/tea and filtered water will be on site to keep you hydrated and ready to work. We ask that you bring a reusable water bottle with you!

**Thank you from Habitat for Humanity HM's ReVive Centre!**
